RE: Vulnerable Sector Check, including a check of the pardoned sex offender database with a Criminal Record Check

for (name) _____

of (address) _____

To whom it may concern;
The above-named is a member of the British Columbia Association of Osteopathic Manual Practitioners(BCAOMP).

BCAOMP is a provincial association in which Manual Osteopaths are registered to provide hands-on manual treatments to clients. Manual Osteopathy is not yet regulated in British Columbia.

Because our members are in a position of trust and authority with their clients, we require a Vulnerable Sector Check and a Criminal Record Check every 3 years.

These clients can be aged from under one year old to seniors, treated in a private treatment room.

We provide the public with a list of reputable society members in good standing.

To be a member of the BCAOMP, we require all applicants and members to submit a vulnerable sector check that discloses all criminal convictions.

If you have any questions regarding this matter, please contact the office directly at 672-886-1214.

Sincerely,

Pasquale Fiore
President - BCAOMP
